VOLUNTEERS NEEDED

If you would like to become more involved in PAWS, please indicate below. PAWS is a non-profit designated 501(3)c that is dedicated to enhancing the quality of education by providing resources that are not funded through the education system. To that end we raise money through various events and petition local government for grants to meet the needs of our students. Please consider becoming a volunteer.

YES, I would like to become involved in PAWS; The following is my contact information:
